To Whom It May Concern,

I am pleased to provide this letter of reference for GCW Custom Kitchens & Cabinetry Commercial Division. Allied Construction has an excellent working relationship with the GCW team as they have served as millwork contractors on a number of our projects in the past number of years. A majority of the work we do with GCW is for the Thames Valley District School Board, Western University and all levels of Government.

GCW has provided us with quality workmanship while practicing a high standard of safety, ensuring procedures are followed and deadlines met. Their communications are timely and professional and they are prompt with call backs. We find GCW's staff courteous, respectful and competent, achieving a successful and quality end result.

Given our history and experience with GCW Custom Kitchens & Cabinetry we would not hesitate using them on future projects.

Should you require any further information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Posthumus".

Mike Posthumus
